FOR IMMEDIATE RELEASE

11 April 2019

**Thalassa Holdings Ltd
("Thalassa", "THAL" or the "Company")**

Further Extension of Offer

The Thalassa Board announces that the Offer, which remains subject to the terms and conditions set out in the Offer Document and Form of Acceptance, is being extended and will remain open for acceptances until the next closing date, which is 1.00 p.m. (London time) on 24 April 2019 (or such later time(s) or date(s) as Thalassa may determine, subject to the consent of the Panel, where required).

LSR Shareholders now have a choice, either to accept Thalassa's certain and deliverable Offer that provides an immediate return to LSR Shareholders or to rest their hopes on the LSR Board's ability to deliver its uncertain liquidation proposal, which the Thalassa Board believes is unlikely to succeed.

Reasons to accept the Offer

The Thalassa Board invites LSR Shareholders to continue to accept the Offer which represents a deliverable and certain exit for shareholders at a value of 35.7 pence per Offer Share with cash being an important part of the total consideration.

The Thalassa Board remains resolute in its stance that the Offer is the best possible alternative for LSR Shareholders to receive fair value for their LSR Shares after having seen the value of their investment continue to decline, as it has every year since inception, a trend which the Thalassa Board only expects to continue in light of the as yet unspecified costs associated with LSR's vague liquidation proposal.

As the Thalassa Board has continuously stated, a winding up of LSR is not in the best interest of all LSR Shareholders. **Following the announcement on 5 April 2019 of the result of the LSR General Meeting, it is clear that the majority of LSR Shareholders either did not vote or voted against the resolution to authorise the LSR Board to pursue a just and equitable winding up of the company.**

Level of Acceptances

As at the deadline on the Second Closing Date for receipt of valid acceptances under the Offer, being 1.00 p.m. on 10 April 2019, Thalassa had received valid acceptances in respect of a total of 12,234,001 LSR Shares, equivalent to approximately 19.9 per cent. of the shares to which the Offer applies.

Accordingly, as at the Second Closing Date, Thalassa either owned or had received valid acceptances of the Offer in respect of a total of 33,255,278 LSR Shares (all of which may be counted towards the satisfaction of the Acceptance Condition), representing approximately 40.3 per cent. of the current issued share capital of LSR.

There are no further items to be disclosed pursuant to Rule 17 of the Code. The percentages listed in this announcement are based on a current issued share capital of 82,505,853 LSR Shares.
