Contract Update

The Board of Thalassa is pleased to announce that WGP Group has received a service order to perform a survey in the North Sea. One of the Group's PMSS™ units will be mobilised on an operated field platform survey vessel that will be converted into a seismic source vessel for the duration of the survey. Mobilisation will commence during April 2014 and the survey is expected to conclude in May 2014.

Thalassa's Chairman, Duncan Soukup commented:
"I am delighted to announce this service order, which will make a meaningful contribution to the growth which the board anticipates Thalassa will achieve this year."
